## 【Profile of the plant】

### 1) Toyota Kirloskar Auto Parts Pvt. Ltd (TKAP)

~Award for TPM Excellence, Category A

Toyota Kirloskar Auto Parts Pvt Ltd., as an established manufacturer of automotive drive train parts like Axles, Propeller Shaft, Transmissions and Gasoline Engines, is now well set to become one of India's leading auto parts manufacturing companies for both domestic and export markets at Bangalore. In 2002, in pursuit of developing indigenous technology and industry, Kirloskar Group established a joint venture with Toyota Motor Corporation (TMC) & Toyota Industries Corporation Japan to form TKAP.

With the support and technical expertise from TMC in world renowned Toyota Production System (TPS), TKAP today demonstrates Global Quality levels in its processes and products.

### 2) Bajaj Auto Ltd.

(Motorcycle Division, Waluj Plant, Aurangabad)

~Special Award for TPM Achievement

Incorporated in 1945, Bajaj Auto Limited(BAL) is a Flagship company of Bajaj group. It started sales and manufacturing of Scooters in India in technical collaboration with Piaggio of Italy and subsequently started making Scooters and 3 Wheelers under its own brand after the expiry of agreement.

BAL set up its own R&D facilities in 2000 and since then had launched many home developed and grown brands including the market leaders like Pulsar and Discover range of motorcycles. BAL is the world's fourth largest two and three wheeler manufacturer and the Bajaj brand is well-known across several countries in Latin America, Africa, Middle East and South East Asia.

### 3) JK Tyre & Industries Ltd.

(VIKRANT TYRE PLANT, MYSURU)

~Award for Excellence in Consistent TPM Commitment

JK Tyre & Industries Limited-Is a flagship company under the umbrella of JK Organization. JK Tyre is one among top three Tyre manufacturing in India. JK Tyre is Technically self Reliant & Exports to more than 100 countries across 6 continents.

In 1997, JK Tyre & industries Limited(JKTIL) entered into Strategic Alliance with Vikrant Tyre Ltd., Mysuru, to improve its business performance. Subsequently VTL merged with JK Tyre in 2002. Presently JKTIL has 3 manufacturing at Mysuru location with wide range of products, 3 Plants in Mysuru, Bias Plant, Radial Plant & OTR Plant.

### 4) Mahindra & Mahindra Ltd. Farm Division

(Mumbai Plant, Nagpur Plant & Rudrapur Plant)

~Special Award for TPM Achievement

Mahindra & Mahindra Ltd. Farm Division(Domestic), Mahindra & Mahindra is leading Indian Tractor market for last 32 years with more than 1000 dealers. Mahindra & Mahindra is the only Indian company among the top tractor brands in the world. Manufacturing Locations of Farm Equipment Sector(FES) has a presence in around 25 countries across 6 continents having assembly plants in USA, Australia & China. Our FES Vision was "To become World's Largest Tractor Company by 2009".
